

## Flexible & Show Ready (Transcription)

Are you thinking about selling your home?

Making your home show ready and being flexible on showing times can help you sell your home faster. Hi! I'm Missy Yost with Yost Group Properties. Flexibility and being show ready can be the difference between a buyer falling in love with your house or the house next door. Make sure that your home is always picked up, clean and ready to show at a moments notice. It's a little bit inconvenient, but it's short term for what you'll get out of it in the long run. If you'd like more information on listing a home or how to get your home "show ready", give me a call. Missy Yost, Yost Group Properties, "Where you'll get the Most with Yost".
