Are you thinking of selling your home?

A preinspection can sell your home faster. Hi! I'm Missy Yost with Yost Group Properties. Did you know that a preinspection can help you identify issues that you didn't even know existed? And, then give you the option to fix those issues or price your home accordingly. And, it will also give the buyers a little bit more confidence in you because of your transparency. If you'd like more information on listing a home, give me a call. Missy Yost, Yost Group Properties, "Where you'll get the Most with Yost".
