

Prequalification (Transcription)

Are you thinking about listing your property?

Make it a requirement that a buyer be prequalified before accepting a contract. Hi! I'm Missy Yost with Yost Group Properties. Did you know that many deals blow up because a buyer was never pre-qualified? There is a big difference in a pre-qualification letter from a bank and going through full underwriting. Make sure your buyer has underwriting approval prior to accepting that offer. It will save you a lot of headache in the long run. If you'd like more information on how prequalification works or if you'd like more information on listing your property, connect with me!
